SPRING 2017 NEWSLETTER

Brothers at the Karma for Cara Scoops and Smiles Ice Cream Social

Greetings, AEPi parents and alumni!

We have had an amazing semester here at UNC-Chapel Hill. As we reach the end of another academic year, the brotherhood is happy to share our Spring 2017 newsletter.

It's been an eventful few months. Our chapter partnered with the Phi Mu sorority to host the Karma for Cara Scoops and Smiles Ice Cream Social in April. We

welcomed dozens of alumni to Chapel Hill for the Final Four, and then rejoiced when the Tar Heels won the National Championship. We capped off the semester with a wonderful beach weekend at our Spring Formal in Carolina Beach, NC.

It is a bittersweet end of the semester, as we bid farewell to seven graduating seniors. Nevertheless, we are happy to reflect on this amazing past year and share the last semester's news with all of you.

GRADUATING SENIORS

The saddest part of every spring semester is saying goodbye to our graduating members. Our graduating class has been very influential to our fraternity over the past four years. We offer each member congratulations on earning their degrees and wish them the best of luck as they leave Carolina to pursue their careers.

Top: Jake Becker, Zach Younger, Brad Kass and Justin Finkelstein. Bottom: Adam Shapiro, Jacob Meyer and Michael Lebhar.

Brad Kass is graduating with a degree in Business Administration. Brad has been an invaluable leader in the fraternity, serving as Exchequer and Vice President on the Executive Board. He will be working in the Sales and Analytics departments of Bloomberg in New York City after graduation.

Marky Fleishman is graduating with majors in Management & Society and Political Science. Marky served as our Social Chair in the Fall of 2014 and on Rush Committee every semester, helping add the largest pledge classes in fraternity history. After graduation, he will be working as a Professional Services Consultant for NetSuite Oracle in Chicago.

Adam Shapiro is graduating with a degree in Business Administration, with minors in Philosophy, Politics and Economics and Public Policy. Adam has served in a variety of roles throughout his four years — as Parents and Alumni Chairman, Risk Manager, Trips Chair, and as a member of the Inter-Fraternity Council Greek Judicial Board. He has accepted a position with the United Health Group in Raleigh, NC.

Michael Lebhar is graduating with a major in Biomedical Engineering and a minor in Chemistry. Michael has served as the Philanthropy Chairman and has made a significant impact in creating new events and opportunities for AEPi. After graduation, he will be attending medical school at the University of Florida.

Jake Becker is graduating with a major in Philosophy and a double minor in Scientific Entrepreneurship and Social and Economic Justice. Jake has served the fraternity as Brotherhood Chairman. Although he is still considering his post-graduation options, he will likely end up in the real estate industry in Chicago.

Jacob Meyer is graduating with a major in Biology and a minor in Chemistry. Jacob served as the fraternity's Rush Chairman in 2015, bringing in one of the largest pledge classes in recent memory, before being elected President. After graduation, Jacob will be working in Charlotte as a medical scribe and applying to osteopathic medical schools.

Justin Finkelstein is graduating with a major in Business Administration. Justin has been a valued member of the senior class and the fraternity as a whole, serving on various committees. After graduation, Justin will be heading to Chicago to be an Assistant Trader with Consolidated Trading LLC.

RUSH 2017

Even as we bid farewell to our outgoing seniors, we are looking ahead to next year with the hopes of continuing to grow our chapter.

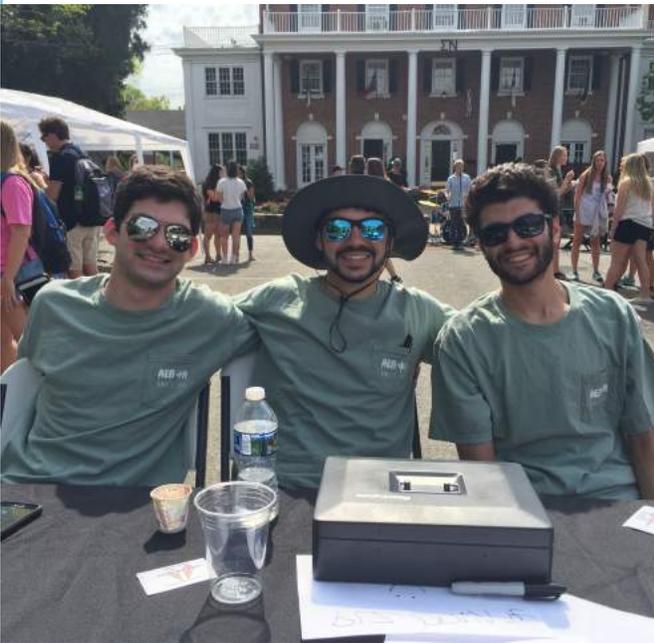

We are happy to boast an enthusiastic brotherhood spirit, a thriving connection to UNC's Jewish community and the highest GPA of any Greek organization on campus. Our rush chair Dan Barondes and the entire AEPi brotherhood are excited to welcome more young men into our fraternity in the fall.

Do you know someone who could join us? Please send us the names of any prospective new members to rush@aepiunc.org.

SPRING 2017 PHILANTHROPY

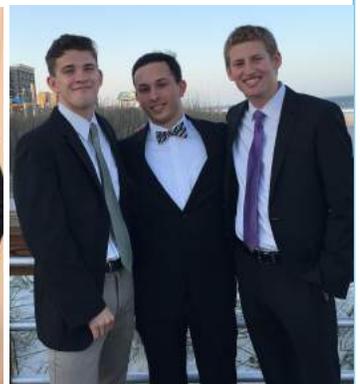

Our Spring 2017 philanthropy event was an ice cream social held on April 12. This was the second installment of the event, which we first held in September. We were excited to partner with the Phi Mu sorority, as well as five companies who donated ice cream and cookies.

The ice cream social benefitted Karma for Cara, a non-profit founded by the family of Cara Becker, the sister of one of our current

members. Cara passed away in 2012 after a long struggle with leukemia, but her organization continues to promote youth engagement in the fight against cancer. To learn more, please visit karmaforcara.org. Thanks to ticket sales and contributions from our parents and alumni, we were able to raise over \$6,500 for the Karma for Cara foundation. Thank you to everyone who contributed!

SPRING FORMAL

To cap off an amazing semester and year, we enjoyed our Formal beach weekend. On April 21, brothers and their dates packed up and drove to Carolina Beach in the N.C. Outer Banks. We spent a great few days, building a bonfire on Friday night and spending the full day by the water on Saturday. That night, we got dressed up in formal attire and had a delicious meal with our dates. It was a great weekend with almost the entire brotherhood present.

As the basketball team cut down the nets in Phoenix, AEPi brothers and alumni celebrated in Chapel Hill.

Donations

As a fraternity, we truly value any and all contributions from parents, alumni and friends. Our members work tirelessly to keep improving our fraternity, our house, and our brotherhood. We are constantly looking for new avenues to expand our chapter's outreach through community service and philanthropic efforts.

We hope to put your donations to use by continuing the process of improving our house, including the first floor living room and the third floor study space.

Growing our chapter isn't easy, which is why your contributions can make all the difference. If you would like to make a donation, please visit our website at www.aepiunc.org. Thank you so much for your continued support!

JEWISH LIFE

The chapter continues its tradition of heavy involvement in Jewish life on campus. Many of our brothers are integral members of NC Hillel and Chabad at UNC, and we are proud to maintain our Jewish identity.
